Deluxe 14-Pocket Cruiser Vest

The sturdy construction and numerous pockets make this our best selling vest. Used by Foresters, Surveyors, Geologists, Engineers or anyone working or playing in the outdoors.

- With or without reflective striping
- Eight front pockets including a pen/scale organizer.
- Two small and two large inside pockets.
- The entire back is a pocket with a side zipper for easy access.
- An expandable knapsack is sewn on the back for extra capacity.
- All edges are bound to prevent fraying.
- Numerous non-magnetic grommets for attaching special instruments including a flagging dispenser pocket.
- Snaps are reinforced with nylon webbing to prevent from pulling through the fabric.
- Reinforced wear areas.
- Colour: Orange, Red and Green.
- Sizes: S, M, L, XL, larger sizes available on request.
- Available in 100% Colourfast Cotton 10 oz. Duck and Cordura Nylon.

"Super Surveyor" Field Vest

- Heavy-duty 1000 Denier Cordura (stronger than cotton, polyester, polypropylene or ordinary nylon).
- Available in Hi-Viz orange, red or yellow.
- All external edges are bound for extra strength.
- 13 pockets: 8 front pockets including a pen/pencil organizer and flagging tape dispenser.
2 large and 2 small inside pockets.
Large full-size back pocket with zipper closure.
- In excess of 80 sq. in. of 2" wide reflective striping on the front and back.
- Reinforced wear areas.
- Weight 1.65 lbs.
- Also available with radio pockets and microphone clip.
- Special order
